● SKIPPER'S MOTIVATION

After almost a year of interruption due to the return of the Route du Rhum and at the end of a surreal period of confinement, find again the atmosphere of the pontoons and offshore racing, especially the NCR is a moment of immense joy and impatience. We will have to quickly resume the pace of the race, but above all take pleasure in sailing. The NCR course is demanding, exciting and progressively higher. We will have to hang on to new and more efficient boats. But for us the main thing is to be there again.
