● SKIPPER'S MOTIVATION

The Normandy Channel Race 2020 is the first Concise 8 race since I bought it in November 2019 from the English team Team Concise. Louis and I are happy to have this wonderful and technical race.

I am a newcomer to class 40 and have no experience in doubles racing. So it's a hazing and a learning curve for me.

Louis Duc, meanwhile, has 9 NCRs to his credit and has "fallen" into class 40 since the inception of the class.

For Louis it is the pleasure of doing this magnificent race again and bringing this race to life for a newcomer.
