## ● SKIPPER'S MOTIVATION

*We want to continue to improve our knowledge of the boat. We should have one or two new sails and it will be a great opportunity to test them.*

*The last race we did together we won it (Duo Concarneau 2016) and the last race we did against each other we took the first two places on the podium (Mini Transat 2015), after a close struggle of anthology during the second stage.*

*This adventure brought us closer together and it will be a pleasure to be reunited on this beautiful class40 Crédit Mutuel and try to get a good sporting result!*
