● SKIPPER'S MOTIVATION

I decided to join to Class 40 community when I finished the Mini Transat 2019. Because I saw a lot of natural wonders when I sailed the transat and I became curious about what I would feel and see if I sailed around the world. So I decided to challenge myself and sign up for the Globe40.

We decided to join to Normandy Channel Race because NCR is a traditional race and the NCR give us all purpose sailing skills on a complicated course.

I'm looking forward to seeing all Class40 sailors at Caen and hope to get good experience on the course.
