● SKIPPER'S MOTIVATION

For the 3rd consecutive year, Vogue avec un Crohn will participate in the CIC Normandy Channel Race! A key event on the Class40 calendar with a demanding course, the NCR is an excellent preparation for our end-of-year goal, the Transat Jacques Vabre.

Both Calvadosians, this race obviously has a very special flavor with its village in the heart of the city of Caen and a start / finish at home.

Finally, the public's enthusiasm and the reputation of the Normandy Channel Race offer us great opportunities to carry our messages for the benefit of patients with digestive diseases.
