● SKIPPER'S MOTIVATION

*Each of us on one side of the bay, through the practice of sailing we met.
In the beginning we were competitors, today we are friends.
This project is above all about humanity and simplicity, but we are not here to pick up the buoys.
Our racing souls will wake up, to face this test made up of technicalities.
Winds and tides will work on us, but the anchor we are not going to get it wet.
We are proud of the values of our partner, body and soul we will give, up to this line that we will cross.*
