## ● SKIPPER'S MOTIVATION

*We got the boat back quite late in the season and ended up having little time to prepare it. This is our first race in Class40 so the aim is to learn as much as possible and gain experience for the rest of the season. Obviously we want to do well and rub shoulders with our competitors. She's a great boat with a great track record, we'll do our best to get the most out of her!*

*It will also be our first race together in doubles, we can't wait to see what dynamic we will adopt.*
