2<sup>nd</sup> participation in the CIC Normandy Channel Race

## ● SKIPPER'S MOTIVATION

*Carrying out a regional project, that of La Manche, is the leitmotif of the skippers who will sail on the Class40 "La Manche" in 2021! The CIC Normandy Channel Race is the first race of the season, our duo is a mix of youth and experience, and we want to be the hosts of this superb race all week long !!!*

*We know that the 2021 field will be very tough with a lot of new boats, and new arrivals in the class, but we are going to wear the Manchoises colors high to hope to cross the course of Barfleur in the leading boats at the time of the final sprint !!!*
