- 4 years in the Sodebo team

1st participation in the CIC Normandy Channel Race

● SKIPPER'S MOTIVATION

Fred and I are committed to sailing cleanly on this CIC Normandy Channel Race, which will mark the first big race in our Reason plan, which came out of the yard in January. While we obviously have sporting ambitions and the idea is not to play in the back of the peloton, above all we want to gain experience and learn our skills in this class40 where we are taking our first steps!
