## ● SKIPPER'S MOTIVATION

*It's a pleasure to be back in the CIC Normandy Channel Race, it's a bit like a race «at home» for us: sponsor and skippers from Normandy. Of course there are more and more new boats but we made a big change this winter which should allow us to play with them anyway! For me (Pierre) it's the opportunity to learn from Fabien's experience, particularly in terms of pace and intensity on board. It's a year with a calendar very focused on solo racing with the Route du Rhum in November, and it's great to be able to race together in this event.*
