● SKIPPER'S MOTIVATION

The CIC Normandy Channel Race will be our third race together this year with Robin but we have only known each other for a few months. As with every race since the beginning of the season we hope to put as many scows behind us as possible as we have an «old boat» (from 2018...), we also hope to continue to learn to sail together and have fun racing with over 35 other Class40s on an absolutely brilliant course. We are happy with the results of our first 2 races together so we hope to repeat this for the 3rd meeting in 2023 !
