● SKIPPER'S MOTIVATION

The CIC Normandy Channel Race is a great first for us in Class40. It is Pam's first race as a Class40 skipper and Tiphaine's first race as co-skipper on such a boat. Following our selection in the «Cap pour Elles» project for the Transat Jacques Vabre 2023, the CIC Normandy Channel Race is our first major event in the preparation of both our partner and the boat.

Our objective is to surpass ourselves, of course, but above all to test our boat, and have a clean and intelligent race. As a skipper, Pam is looking forward to the challenge of navigation and tactics. As a team, we are proud to be lining up at the start of this fleet, which has many outstanding sailors and boats.
