● SKIPPER'S MOTIVATION

To cut a long story short: we've got the hunger! We are really happy to be lining up for the third year running with the Class40 Project Rescue Ocean in this exceptional race that is the CIC Normandy Channel Race! With Nicolas, who knows the course well and has already won it in 2015, we are going to use all our experience to annoy our little friends with newer boats as much as possible, and do everything we can to match our result in 2021 and that beautiful and unforgettable victory!
