## ● SKIPPER'S MOTIVATION

*Thimoté POLET: «I am very happy to start the season with the CIC Normandy Channel Race with Pierrick, ZEISS and WeeeCycling. This will be my first participation, it's an event that I've followed a lot over the last few years because all my friends are taking part. We'll be able to see if the men and the boat are up to it. What is certain is that we are not here to sweeten the strawberries.»*

*Pierrick LETOUZÉ: «I'm very happy to be taking part for the fourth time in this magnificent race, which is one of the most complete races in Class40. Super happy to join Thimoté's beautiful project with a competitive boat. To do as well again as in 2020 or 2021 would be great!»*
