● SKIPPER'S MOTIVATION

Fabien Delahaye: «This CIC Normandy Channel Race is a very special moment for me as it's the first race of the season, but above all my first race under the colours of Legallais Team Voile, my new partner. I'm very happy to be back in this race, especially alongside Corentin Douguet whom I know well and with whom I worked a lot last year. This year, we have a clear performance objective. Moreover, this race has a special flavour for me as it starts from Caen in Normandy, my home region and where I did my first sailing. It is also the historical home of LEGALLAIS, my partner. This race really represents the starting point of our common history.»

Corentin Douguet: «I'm very happy to be back on the CIC Normandy Channel Race alongside Fabien. I hope to do better than last year...»
