● SKIPPER'S MOTIVATION

The CIC Normandy Channel Race is an unmissable event on the Class40 circuit. Since we started Class40 in 2019 we have not missed a single edition! For our 100% Calvadosian crew, the CIC NCR 2023 will be the first official race with our new boat fresh out of the yard, a Mach40.5 signed by Sam Manuard.

For us, it's an opportunity to measure ourselves against the fleet, whose sporting level is constantly improving. It will also be a great opportunity to test this new boat in race conditions, the settings of which we still need to get to know. But beware, it's not because we're still discovering the boat that we won't give our all to do well in the rankings!
