● CO-SKIPPER:

JOE LACEY

38 YEARS OLD - JOURNALISTE - ARCHITECTE NAVAL - CARNAC

TRACK RECORD IN BRIEF

1st participation in the CIC Normandy Channel Race

● SKIPPER'S MOTIVATION

We can't wait to take part in our first official Class 40 event in the new boat. Our aims are to prepare ourselves and the boat for the Transat Jacques Vabre and to test ourselves against some of the best sailors in the world. There is no better event for this than the CIC Normandy Channel Race; the fleet is hugely competitive, the race course is varied and challenging, and the organization is world-class.
