3rd participation in the CIC Normandy Channel Race

● SKIPPER'S MOTIVATION

I have always been attracted to the CIC Normandy Channel Race and Class40 is definitely my favorite boat to sail. It is very compelling to start a race with 37 Class40, to navigate through the intense challenges the race course will give us and racing against such a extremely competitive competition. My motivation is to continue my racing career after the around the world race and I can not imagine a stronger partner than Estelle for this race.
