● SKIPPER'S MOTIVATION

This is the second time I'll attend the Normandy Channel Race, the first time was last year and I won together with Ian Lipinski on board of Credit Mutuel. It is a race that I like a lot, and one of the most important of the year because it brings together all the newest boats in the class and the strongest skippers. Being in the middle of the season you get very ready and this makes it a very competitive race. This year I finally do it on my boat and in doubles with Kevin Bloch, a very talented and balanced guy. It seems to me an excellent opportunity to evolve «Alla Grande - Pirelli». The ambition is definitely to climb the podium.
