## ● SKIPPER'S MOTIVATION

*I'm very happy to be back in Caen for the CIC Normandy Channel Race 2024. I haven't sailed in a Class40 since the Route du Rhum 2022 when I had to stop in the Azores due to structural problems.*

*Since then, I've done a few races in Australia but it's great to be back racing my Class40 with a lot of very good crews at the start.*

*I'm proud to be sailing with Corentin, a very strong navigator with a lot of experience.*

*We're off!*
