● SKIPPER'S MOTIVATION

Louis: we started our 2024 Class40 season with the Spi Ouest, and we're finishing it with the NCR, which is a great way to build up momentum! For Alexandre and me, it's a great first step on the road to the Jacques Vabre 2025.

Alexandre: We're close to 1000 miles into the NCR, which is the first big challenge for our duo. It's the culmination of the 2024 season!
