● SKIPPER'S MOTIVATION

This will be my last race on this beautiful Everial Class 40, so I'm obviously keen to finish on a high note. The boat isn't really cut out for this type of course as she's extremely downwind. So the idea will be to do the best we can with our weapons and if success is on our side, why not go for a podium finish. I'd also love to go for a podium finish in the Class40 2024 championship, as we're currently 4th.

I'm delighted to have Robin on board. We won the Fastnet Race together last year. I really like him and his talent is well known!

I'm looking forward to battling it out on the water!
