● SKIPPER'S MOTIVATION

Xavier: The aim will be to get the best possible result. The CIC Normandy Channel Race is a very high level race, very interesting from a sporting point of view, with some very tough competition. First place on the podium would be the best present we could give ourselves and would be the best way to end the 2024 Class40 season!

Carlos: The aim is to be on the podium, and even to win! We're going to try to make the most of every moment and make the most of the boat's strengths.
