● SKIPPER'S MOTIVATION

As life is far from a long quiet river, with a week to go before the start I had to call on the Le Havre network to recruit a new co-skipper after my nephew Tual withdrew. Jerome, who is already familiar with Class40 168, immediately agreed to come aboard alongside me and accepted my invitation. All that remains now is for us to write a fine sailing story during this Normandy Channel Race. See you soon on the networks.
