● SKIPPER'S MOTIVATION

The CIC Normandy Channel Race is our last big rehearsal before the round the world race! Aboard Free Dom, we're looking for experience, sensations and above all: the final adjustments before the Globe40.

We see this race as a sporting challenge, but also as a great adventure to share on our social networks and on Radio Free Dom.

We're really pleased to be able to line up against this very strong fleet. We'll be putting all our energy into sailing cleanly and getting the best out of our old-generation Class40 n°139.

Réunion is here!
