● SKIPPER'S MOTIVATION

We're delighted to be taking part in the CIC Normandy Channel Race 2025 and hope to finish 1st in this year's Sharp. This will be a first double-handed race on the boat for my co-skipper Roland as we've only raced the Spi Ouest together. I really like the course of the CIC NCR because it's a very technical course on the coasts of 3 different countries without forgetting the beautiful Fastnet lighthouse. Finally, the organisation of the CIC NCR is remarkable, it's a great event both on land and at sea!

It'll be a baptism of fire for me, my first major Class 40 race!
