## ● SKIPPER'S MOTIVATION

*I'm looking forward to taking on the NCR for the second time. I know how technical this course is and we have a lot to learn about our boat, so it's going to be a challenge, but we're ready for it. I'm looking forward to racing with Jay for the first time too. It's always super cool to race in Irish waters and also in the routes of my sponsor DFDS.*

*Looking forward to the battle and the challenge!*
