- 2<sup>nd</sup> Transat AG2R 2016

2<sup>th</sup> participation in the CIC Normandy Channel Race

## ● SKIPPER'S MOTIVATION

*I'm very happy to be back at this race. It's a very important race in the calendar, with once again a very fine line-up and course. We have a little revenge to take after the 2023 edition, when Gildas and I had to retire. We're looking forward to it!*
