- Sailor of the Year 2001, 2007 and 2009

1st participation in the CIC Normandy Channel Race

● SKIPPER'S MOTIVATION

We're delighted to be taking part in the CIC Normandy Channel Race again this year. After my first participations on a pointing boat, I'm back on my 3rd NCR with a latest-generation Scow, accompanied by Michel. We're really looking forward to competing against each other in this regatta. This is Michel's first participation and major regatta in Class40.
