● SKIPPER'S MOTIVATION

We are very excited to be back together at the CIC Normandy Channel Race this year to kick off the season. We will be able to see where we are with our boat compared to the competition on this demanding and difficult course. Our CIC NCR 2024 makes us feed beautiful ambitions for this new edition. We sailed a lot this winter in Le Havre to prepare for the season, we are ready to show all the potential of our boat and our crew on a playground that we love, the Channel.
