- 2nd Tour Voile 2021

1st participation in the CIC Normandy Channel Race

● SKIPPER'S MOTIVATION

I'm really delighted to be back at the CIC Normandy Channel Race with Jules, who's about to experience this extremely demanding event, which is very similar to what we do in the Figaro class. Our aim is to continue learning to sail together and make the most of our boat to aim for the top step of the podium.
