## ● SKIPPER'S MOTIVATION

*This marks our third appearance in this Class40 classic with the Bleu Blanc Planète Location Class40. We've brought back the same crew from previous editions and the last transatlantic race, and we're really looking forward to it.*

*It's always a pleasure to come to Caen city centre to finalise the boat's preparations and meet the public.*

*We know the course and the boat, so we're keen to make the 2026 edition of the CIC Normandy Channel Race a great one!*
