● SKIPPER'S MOTIVATION

I'm really excited to be setting off on this third CIC Normandy Channel Race with Gaston. We've known each other for ages – we used to race against each other in Optimists – but this is our first time sailing together!

Our brand-new Class40 Solano is performing better every day; the aim is to fine-tune things a bit more so we can compete at the front of the fleet in this CIC NCR, and continue to improve ahead of the Route du Rhum at the end of the year.

The course is magnificent, challenging and demanding – a great mix for our duo, who are raring to go!
