- 3rd in the Transat Jacques Vabre 2013

4th participation in the CIC Normandy Channel Race

● SKIPPER'S MOTIVATION

I can't wait to take part in my first CIC Normandy Channel Race aboard Maccaferri Futura. It's a race I've always admired from the sidelines and one I'm finally getting to compete in. Pierre and I have had the chance to train a bit this winter, and he's a real expert on this race. We're here to be competitive and give it our best shot in this legendary regatta.
